### Examples of Curriculum-Aligned Fieldwork

#### METHODOLOGICAL APPROACH – Change Over Time and Transects

- Explore the **sand dunes of Trefdraeth**: vegetation, gradient, soil pH, and human impact.
- Visit **popular beaches** to assess coastal erosion and the geographical processes involved.
- Analyse the Pembrokeshire Coast National Park's 'Changing Coast' archive.

#### Qualitative Surveys

- Assess the impact of **honeypot sites** on local communities.
- Take a walk through the **ancient woodland of Tŷ Canol**: biodiversity, ecosystems, and the carbon cycle.

#### Conceptual Framework – Place

- Compare ecosystems: **Tŷ Canol woodland vs. the Preseli Mountains**.
- Use **OS maps** to sketch and identify key features: contour lines, grid references, and map symbols.

#### Adventure Experiences with a Geographical Focus

- **Coasteering or stand-up paddleboarding (SUP)** with a focus on coastal processes and geology.
- Practical activities: bushcraft, nature walks, gardening, cooking, and more!

#### Quality Accommodation and Facilities

- Accommodation for up to **40 (or 55 with safari tents)**.
- Outdoor kitchen, BBQ, and pizza oven.
- Choice of self-catering or catered meals.

#### Immerse Yourself in the Welsh Language

- Activities delivered in **Welsh or bilingually**.
- Opportunities for learners to **build confidence** and enjoy Welsh culture: **folk dancing, Welsh music, storytelling** around the fire.

#### Why choose Pentre Ifan?

- **Passionate and experienced** team.
- **Stunning** natural backdrop in the Preseli Hills.
- A **safe, enjoyable, and educational experience** tailored to your needs.

We look forward to welcoming you and your students for an unforgettable Geography experience!
